## **Notice**

**Dated: 18.03.24**

This is to inform all teachers of our college that classes will be held according to normal routine (in online mode) from college from 19.03.24. In view of this the relaxation given to female teachers to stay in college from 5 PM to 7 PM (as was decided in the meeting I held with teacher and non-teaching staffs on 05.03.24 in my room) is henceforth revoked and SACTs are to stay mandatorily in college for three hours.

All teachers are requested to comply with and cooperate in this matter.
